AUGUST 2019

### Who Owns the Nation's Largest Health Systems?

IQVIA's 2019 research report identifies the 25 largest integrated delivery networks in the U.S., ranked by the number of affiliated physicians. These groups own or manage hospitals, medical offices, nursing homes and other sites of care. The report is derived from OneKey, a reference database naming 9.7 million professionals and 710,000 organizations. Download this report to learn more about your top customers and their sphere of influence and control.
