INFOGRAPHIC Internal Medicine

Growth of Office-Based Internists

INTERNISTS BY NUMBER
Internists are the second largest group of physicians in the U.S. in terms of numbers. Presently, there are 100,551 internists across the country.

**100K
INTERNISTS
IN THE U.S.**

At 100,000+ strong, they are only out-numbered by family practitioners in the U.S. They are trained to identify and treat a variety of illnesses and health problems in office, hospital and elder-care settings.
